[Redacted]  
Dear Paul:

Just to bring you up to date, I understand you will be returning 29 May before you do further training and rotations.

In case you hear, what I plan to do is to designate you Executive Assistant to D/FBIS beginning 29 May. This will carry you through the training and rotational periods (aside from the not unimportant matter of assuring you an office and desk when you are here in Headquarters).

[Redacted] has held that title prior to his moving to DC/Ops on 20 May. (You might call it a "title for all seasons.")

STAT

I will be in Europe when you get here on the 29th. (I'm returning to duty here 3 June.) Suggest you spend the time reading in on the Director's log and catching up on what's going on in FBIS.

Sincerely,

*[Signature]*  
[Redacted]

Director
